C/O International Admissions

Sai Venkata Satish Yenduri
Flat No.102, Sai Mamata Residency Radha Krishna Road
Gokul Plots Hyderabad 500085 India

Dear Sai Venkata Satish Yenduri,

Congratulations from the University of Houston-Clear Lake. You have been accepted into the **Master of Science in Software Engineering** degree program in the College of Science and Engineering. If you cannot attend this semester, your acceptance is valid for one calendar year. We look forward to welcoming you as a member of the UHCL community.

Faculty Advisor

Your assigned CSE faculty advisor is Dr. Datta, whom you can contact at **datta@uhcl.edu**.

You will receive an email to your UHCL email address approximately 8 weeks into your first semester confirming that it is time to meet with your faculty advisor about your draft degree plan (which we call a CPS) and select electives. Your draft CPS will not be ready until then, unless you are emailed otherwise. You will enroll in your first semester before formally meeting with your faculty advisor, but you can contact him/her if you still need help selecting first semester classes after carefully reviewing the information below and on your department's website. If you contact your faculty advisor, please scan and attach a copy of this acceptance letter so that he or she can identify you and your individual situation.

Registration

You are notified by admissions when you are eligible to register for classes. Registration is entirely online. To register, log in to E-Services through <http://www.uhcl.edu/eservices>. Register as soon you are eligible to ensure the best selection of classes. Please visit <http://www.uhcl.edu/sce/sosc> for information on the degree requirements for your major, course offerings, and other helpful information. Register for any foundation classes you have been assigned (listed below if assigned), and for core classes. If you need to register for electives and your plan does not list specific elective choices, be sure to check with your faculty advisor (by e-mail or when you come to campus) to confirm the elective choices you select are suitable. If you do not find the help you need online to select your initial classes, contact your faculty advisor before classes start. If you have registered and paid by the Open Registration deadline, you can change your class selection without penalty, if necessary, *during the first week of class only*. After that, changes are not allowed.

Unconditional Acceptance: Your preparation classes are complete and no foundation courses are assigned.

For questions regarding Teaching Assistant (TA) and/or Research Assistant (RA) positions, please contact your program for information about requirements and the application process.

We are pleased you have chosen UHCL, and we look forward to seeing you succeed during your time here.
